

**PTER ANNA**  
Senior Researcher  
Organic Chemical Technology Department  
Budapest University of Technology and Economics

Born: 6. June 1945

Languages: English, German, Russian

**EDUCATION**

- Postgraduate Diploma, CASUS Manager-school, Budapest 1997  
Field: Marketing Management

**SPECIAL COURSES**

- Technical University of Budapest - University Aberdeen, 1993  
Field: Environmental Assessment
- Univ. of Economy Budapest, 1988  
Field: Fire Protection
- Dr.Univ. (approx. equivalent with Ph.D.)  
Technical University of Budapest, 1978
- MSc  
Chemical Faculty of Technical University of Budapest, 1969

**SCIENTIFIC ACTIVITY (MEMBERSHIPS)**

- Scientific Society of Plastics and Rubbers, since 1984
- Scientific Society of Textile Technology, since 1982
- Hungarian Society of Chemistry, since 1978

**NUMBER OF THE PUBLISHED PAPERS AND CONFERENCE LECTURES: 72**

**RESEARCH**

- Preparation of flame retardant polyolefins
- Preparation of flame retardant polyolefins
- Waterborne coatings
- Polymerization mechanism of lactams

**ACADEMIC SCHOLARSHIPS**

- ENSCL Lille (flame retardant polyolefins) 1999
- TU. Aachen (fiber reinforced composites, high performance fibers) 1991
- University Palermo (recycling of thermoplastic polymers) 1990
- Institute of Macromolecules Lodz, (technology of polymerization) 1985
- Textile Institute Leningrad, Polytechnic Institute Moscow (textile technology) 1980
- University of Bratislava (biodegradable surfactants), Institute of Macromolecules Prague (technology of polymerization) 1973
