Leadership behavior differs considerably across the globe. To meet strategic growth goals, organizations must build a deep bench of leaders who understand follower’s cultural expectations, and adapt their approach accordingly. Our workshop develops culture-general leadership skills that enhance effectiveness regardless of the culture in which a leader finds him or herself. In addition, participants will learn strategies and skills to build trust and credibility in their global leadership teams. Workshop objectives are accomplished through a combination of expert facilitation, assessment, feedback, and experiential activities.

OBJECTIVES
At the completion of the workshop, participants will:

1. Reduce costs, time, and risk in international business encounters
2. Gain self-awareness from assessments of global leadership competencies
3. Understand alternative views of leadership from around the globe
4. Understand how to effectively build trust in international teams
5. Practice and receive feedback during in an international simulation exercise
The Third Eye Process

Providing cultural tools that help you make better decisions.

Investigation
We use precise scientific methods to accumulate intellectual capital and ask informed questions to understand our clients' cultural problems and predict outcomes.

Integration
We leverage our real-world experience and insights to understand the unique challenges of our clients and to develop customized targeted solutions.

Internalization
We use a human-centered approach that moves beyond simply providing information, enabling global leaders to eliminate anxiety, become more comfortable with complex cultural situations, and intuitively solve problems.
