

*****ATTENTION PARTICIPANTS*****

The Organizing Committee is pleased to request the following participants to chair the respective sessions/talks as outlined in the attachment. The list follows the schedule precisely for each day.

In case there is a problem with your participation, we appreciate your immediate response so that a replacement can be entertained.

Since the organizers of the special sessions are expected to take care of their sessions entirely, we have not covered those sessions.

When and where one of the chairpersons is absent for some unavoidable circumstances, we appreciate if one of the participants takes over chair's position and see to that the session runs smoothly.

It is greatly appreciated if you please confirm your acceptance to take on chair's responsibility.

We are still in need of some volunteers. If you are interested in volunteering, please leave your name at the registration desk.

Thank you,

Organizers of WCNA
